Applying for a Living+ home

Applying for a Living+ home is a straightforward process. All available apartments are allocated using our 'Select-a-Home' process. This is a very fair system that works on a first come first served basis.

To join 'Select-a-Home' please complete and return an application form. To request an application form please call **029 20858100**. Alternatively, you can pick up a form at a United Welsh office, any Living+ scheme, or using the website at **www.uwha.co.uk**

Following receipt of your application form we will send you further information about 'Select-a-Home'. You will then be able to apply for any available homes on a fortnightly basis.

A home visit will be arranged, wherever possible, to assess your housing and support needs. This will enable us to help you find a property best suited to your individual needs.
