

## 5.1 voice4tenants

All United Welsh tenants are automatically members of voice4tenants and can attend any of the events that it puts on.

voice4tenants wants to make sure that more tenants get the chance to put their views across at events like local forums and information events

Any United Welsh tenant can stand for election to the Executive Committee.

If you would like to know more about v4t, please tell us.

## 5.2 Share membership

We encourage all tenants to become a share member and to take an interest in the work of United Welsh. It costs £1 to become a share member and it means that you can attend Annual General Meetings and vote for members of the Board of Management.

We want a wide range of people to become share members to reflect the communities in which we work.

If you would like to apply to become a share member please tell us.

## 5.3 Board of Management

The Board of Management of United Welsh decides what we will do, makes our policies, and checks to see that we are meeting our targets. The Board members are volunteers and include United Welsh tenants.

We review the Board membership regularly to make sure that there are members with the right skills and knowledge to direct our work and that it broadly represents the communities we serve.

## 5.4 LinkUp Newsletter

LinkUp Newsletter is a newsletter for United Welsh tenants. We publish it every three months. An editorial board puts it together. The editorial board is made up of tenants and staff from United Welsh.
